

CITY ON A HILL
Classical Christian Education

Class Math Study Hall – Spring 2025

Class Length 70 Minutes

Teacher Mrs. Kara Deno

Phone 925-325-3609

Email thedenofamily@gmail.com

Class Description: This is a guided study hall in which students will spend their time quietly studying, completing homework, or asking questions about mathematics.

Grades/Ages: This class is designed for students in all grades.

Responsibilities

- **Parent Responsibility:** To establish and oversee an educational plan for the student. And, to grade and review the progress of the student. *In the Grammar stage this is a daily activity for each subject. In the Logic and Rhetoric stages this can become a weekly activity.*
- **Student Responsibility:** To actively engage with the teaching and study work. To respect the instructions and expectations of Dad and Mom. And, to come prepared to each CO-OP class.
- **Teacher-Tutor Responsibility:** To support (bolster) the educational plan of the parent. To offer passionate and accurate teaching/tutoring of the subject matter. And, to challenge the student in the subject.

Curriculum/Tools for Learning: Please purchase the following resources:

- Math Textbook (selected by student's parents)
- Notebook and/or loose-leaf paper
- Pencil and eraser
- Other supplies as necessary for completing assignments, which may include a compass, protractor, ruler, calculator, etc. (Limited supplies may be available from the teacher for use during class time.)

Grading Rubric: As a reminder, although the teacher-tutor will provide each student/parent with a midsemester progress report and an end of semester progress report, it is the responsibility of the students' parents to determine the final grade for the student. The progress report provided by the teacher-tutor is meant to be a reflection of the work accomplished within the scope of the class and therefore NOT a reflection of the students' overall progress.

- Attendance 10 %
- Participation (readiness, appropriate engagement, etc.) 90 %

NOTE:

- All CO-OP classes and projects are a supplement, NOT a replacement of the education taking place at home.
- Parents are required to review any work to be turned in before class. Parents, please initial any work to be turned in.

Class Expectations

- Students are expected to be quietly **on task** actively doing math homework. Once math homework is completed, students may quietly work on homework in other subject areas or read a book.
- The teacher/tutor will maintain a quiet, orderly academic environment and will be available to answer questions and explain math concepts and problem-solving strategies.
- Students are expected to follow the school code of conduct listed below.
- NO homework will be assigned by the study hall teacher/tutor, but occasional topics of mathematical interest may be presented as time allows.

Classroom Behavior/Etiquette (Code of Conduct)

Although not all participants of City on a Hill activities confess Christ, there is still an expectation of the following general guidelines as a code of conduct.

Love God and Love Others (Romans 13:8-10) - The Law of God directs our steps. The two greatest commands direct all that we do (Matthew 22:36-40). The 10 Commandments clearly explain the moral law written on everyone's heart (Deuteronomy 20:3-17).

Respect Authority (Romans 13:1-5) - In words, actions, behavior, attitudes, and in secret.

Order of Authority: 1. God 2. Parents 3. *Teacher-Tutors* 4. Students

Dress and Speak like Men/Women - What we wear and what we say should speak of maturity.

Diligence in our Work, Play, and Rest - We are to do well in whatever we find ourselves doing.

Reading and Assignment Acknowledgment

We, (parents and student), have read this syllabus and understand the requirements for the following classes.

Please use one signature sheet per student for all classes:
